MJW Legacy Survey

Make Justice Work legacy survey

Your feedback is crucial

[Go straight to the survey](#)

Earlier this month Make Justice Work (MJW) announced that the campaign would be drawing to a close after an amazing four years. As we said at the time, a campaign is a campaign and we always believed it should be time-limited.

The campaign has been guided by our commitment to the open-minded pursuit of hard evidence. Therefore, we have commissioned [Stephen Boyce](#) to evaluate *independently* just how useful and effective the campaign has been and any lessons that can be learned.

We will publish Stephen's findings in our final report in June and hope that it will be a useful resource for others who are already campaigning and those who may wish to in the future.

Your contribution to the evaluation is crucial so please do complete this [short online survey](#). It should take no more than ten minutes and all responses shall remain anonymous.

By completing the survey you can be entered into a prize draw to win a £50 High Street voucher accepted in over 20,000 stores!

Many thanks for your contribution.
